

MC 640-5

Magnetic contact Recessed and surface mount, NC

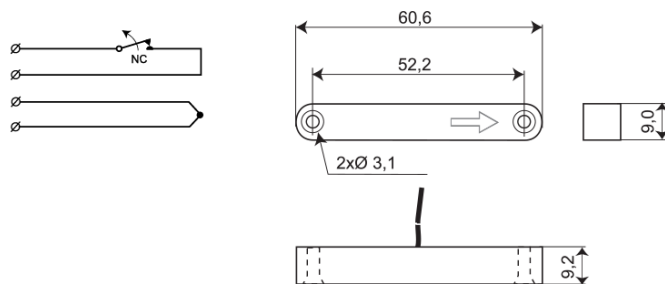

Technical data

Approvals	EN 50131-2-6 Grade 2, Class II, INCERT B-582-1003, SBSC 9-215, Class 2, VdS Class B
-----------	---

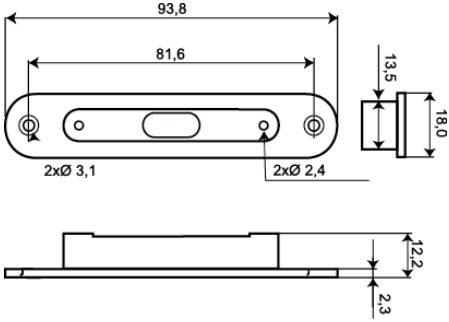

MC 640 is a magnetic contact with NC function that can be used in both alarm and access control systems for monitoring e.g. doors and windows against unauthorized opening. Both the contact and the magnet part are in a water proof (IP 67) plastic housing for recessed and surface installation. The accessory MC 600-1 is a flange for installation in hollow profiles or window frames.
